

Preferred method of ordering is using Flexischools online ordering system. Please see the canteen managers or the school web-site for information on this easy and convenient way of ensuring your child receives the correct order. No more paper bags accidentally left in school bags and you don't have to scrounge for loose change in the bottom of your purse/wallet. Flexischools orders are required to be entered in the system before 9.30am on the day of ordering.
