IN JAPANESE, OISHII MEANS BOTH DELICIOUS AND A POSITIVE EATING EXPERIENCE

Oishii Canteen strives to create a positive eating experience with fresh tastes and a welcoming space for students, parents, volunteers, and staff. All food is made at the canteen except meat pies. Our menu meets the national healthy school canteen guidelines and much of our food is freshly made at the canteen featuring produce from our school garden.

This is a P&C run service for the school families.

3 EASY WAYS TO HELP:

- **Volunteer! WE LOVE our Volunteers:**
An hour every school morning doing cooking and food prep greatly assists the Managers. Helping at lunchtimes to serve or with cleanup is also helpful!
- **Donating nonperishable** items each term. Our wish list is available at the canteen.
- **Assisting the canteen** can also be achieved by contributing an amount of money each term. The amount is up to you. This is used to offset the cost of an assistant to help on the busiest days and when there are no volunteers available.
