Pottery Program Term 1 2017 – Year K to Year 6

Dear parents and carers,

We are very excited to announce that the Elective Pottery Program will again be running classes on Tuesday and Thursday lunchtimes. We welcome back Georgina Bryant from Canberra Potters' Society to Ainslie School. Georgie will work closely with Jo Francis and Clair Shute to provide the opportunity for students to participate in pottery classes.

Pottery classes will commence Tuesday 14 February or Thursday 16 February (week 3) for an 8 week program. Pottery is open to students in Kindergarten to year 6. There is a cost associated with attending the pottery program of approximately \$80 for 8 lessons during term 1. Payments are made directly to the Canberra Potters' Society.

Please follow the link below for payment. This link also confirms your child's enrolment in the lunchtime pottery classes.
