Enrolment Form: This enrolment form asks for personal information about your child/ren as well as about family members and others that provide care for your child/ren. This information is required for AASC to enrol your child/ren and to allocate staff and resources to provide for their care and support. All staff/educators at AASC are required by law to protect the information provided on this enrolment form.

Health information: So staff/educators at AASC can properly care for your child, this form asks you to tell us about any condition including allergies that your child/ren may have, any medication they may rely on while at AASC, and contact details of your family doctor. AASC depends on you to provide all relevant information: withholding some health information may put your child's health at risk.

Family arrangements: AASC requires information about parents, guardians or carers so that we can take account of family arrangements. Family Court Orders setting out any access restrictions and parenting plans must be made available to AASC. Please tell us as soon as possible about any changes to these arrangements. Please do not hesitate to contact the Director if you would like to discuss, in strict confidence, any matters relating to family arrangements.

Emergency Contacts: These are people that AASC may need to contact in an emergency. Please ensure that the people named are aware that they have been nominated as emergency contacts and have agreed to their details being provided to AASC.

Updating Your Child's Records: Please let AASC know if any information needs to be changed by sending updated information to the Director.

Access to Your Child's Records Held by AASC: In most circumstances a parent or guardian can access their child's records. Please contact the Director to if you wish to do so. Some information, such as information provided by someone else, may not be accessible to parents or guardians.
