Introduction

Ainslie After School Care (Ainslie Afters) was established in 1981 and was officially launched in November at the request of the Principal of Ainslie Primary School.

Ainslie Afters started with just six children but is now licensed for 120 places and has also added two new programs, Before School care and Vacation Care with the new name Ainslie Out of School Hours Care (OSHC).

Director of the Service:

The first Director was Anne Taylor, a former mothercraft nurse, and with Barbara Blencowe as Administrator.

Carole Middleton, who joined the team as an Assistant Director in early in 1992, became Director in October that year when Anne Taylor retired. Carole herself retired in June 2008, after more than 16 years of service with Ainslie OSHC – nearly three school cycles.

Gemma Lockton succeeded Carole and came to Ainslie Afters with 10 years' experience in the early childhood sector and a Diploma of Children's Services. A job share role was created in 2009 when Kellie Keenan and Gemma Lockton undertook the role while studying primary teaching and midwifery respectively.

After Kellie's resignation in November 2009, Carol Ellis, took over the job-sharing role alongside Gemma. When Gemma went on maternity leave in November 2011, Carol became the full-time director of Ainslie OSHC.

Carol had worked in the Children's Services industry in both England and Australia for 20 years and loved her role working with children.

Samra Clark joined Ainslie OSHC in 2013 as Assistant Director from Sydney where she has had over 10 years' experience in Out of School Care.

Danielle Prior joined the team in July and took on the role of Director on the 31st of August 2015. Dani has been working in Early Childhood since 2009 and has a Diploma of Children's Services.

Nadia Anwar joined the service on the 31st of August 2015 as Assistant Director with Samra leaving for Sydney with her Husband. Nadia is studying her Masters in Teaching and has been working with children since 2008.

Gemma Lockton joined the service back on 13th June 2017 as Director when Dani left to relocate to Queensland. Gemma brings with her a remarkable wealth of knowledge and experience as she has been working in the Children Services Industry for over 20 years now.

Our current administrator is Toni Moore, who joined us in November 2011.

Philosophy

Ainslie Out of School Hours Care (OSHC) believes that each child has the right to be an active member of the community in which they live, to express their opinions and have their views considered in any decision that may affect them. The centre helps children identify reciprocal rights and responsibilities of being part of a community and acting accordingly. When children are connected to their world, they are able to contribute with confidence and feel heard and respected.

Ainslie OSHC believe that the best interests of the children and their right to learn through play is paramount in decision making at the service. Educators have high expectations for children's learning and aim for the children to be confident and involved learners.

Play allows children to naturally and spontaneously fulfil our curriculum. Children are encouraged to use their imagination and educators encourage creativity in the children during play. We believe in Ainslie OSHC being an empowering play-based environment for the children. They remain guided by the educators, but wherever possible, are trusted to decide what they want to do with their own time.

Ainslie OSHC acknowledge that parents and families are the child's primary carers and that by having respectful and collaborative relationships this strengthens the capacity and efforts of families to support their children and promote each child's health and wellbeing.

Ainslie OSHC believe that the right to equitable access and participation in the community is clearly visible. This is achieved by making adjustments to all aspects of service delivery, as relevant, to ensure this can be achieved. At Ainslie OSHC we help the children to identify the reciprocal rights and responsibilities of community living and encourage them to act accordingly.

Ainslie OSHC believes that children have the right to have their individual and cultural identity recognised, respected and celebrated. We value the diverse nature of families, and encourage all children to embrace the diversity embedded in our community. We value Aboriginal and Torres Strait Islander cultures as a core part of the nation's history, present and future.

We believe in developing sustainable practices and embedding these practices into our everyday living and learning.

The educators of Ainslie OSHC are encouraged to be responsive to children and develop cultural competence themselves, through learning about our families and professional development opportunities. Educators critically reflect on their practice and the educational program, and incorporate this practice into their everyday work with children.

If your family is not fluent in English, an enrolment interview can be held with an interpreter in your primary language.

Enrolment forms can be obtained from the Director or Administrator of Ainslie OSHC, from the School Front Office or on the Ainslie School website www.ainslies.act.edu.au

Enrolment forms must be completed in full, with a photo of your child/children attached. Particular attention being paid to the following sections of the form:

Bike Storage

Ainslie OSHC has their own bike shed, located across from the Yerra building. If your child/children are booked in Ainslie OSHC it is advisable to store your bikes in the Ainslie OSHC's shed when arriving at school in the mornings and not the school shed. The school shed will be locked at 4pm and Ainslie OSHC does not have access to the school shed.

Changes to Booking or Cancellations

If you wish to change or cancel a permanent booking, **you must** provide a minimum of **one weeks'** notice to the Director or Administrator.

Confidentiality and children's records

Ainslie OSHC protects the privacy and confidentiality of all children, families, educators, staff and management. All records and information are kept in a secure place and are only accessed by, or disclosed to, those people who need the information to fulfill their responsibility or who have a legal right to know.

The following outlines how Ainslie OSHC ensures your details remain confidential:

- All forms and information pertaining to children and families using Ainslie OSHC will be stored confidentially in a secure place.
- Confidential conversations that educators/staff members have with parents/guardians; children or other educators/staff members will be conducted in a quiet area away from other children, parents and educators/staff. In certain circumstances, Ainslie OSHC will have another educators/staff person present when discussing sensitive issues.
- Educators/staff will not make children or families at Ainslie OSHC an object for discussion outside Ainslie OSHC nor will they at any time use family names in recorded or tutorial information.
- Educators/staff will only use information gained from Ainslie OSHC upon receiving written approval from Ainslie OSHC to use and/or divulge such information.

Fees

Permanent bookings (Before school care \$10.50 and After School Care \$22.00 per session)

A permanent booking is a regular booking. This can include bookings for every second week (such as may be required by shift workers, and so on).

Casual bookings (Before school care \$12.50 and After School Care \$25.00 per session)

A casual booking is a non-regular booking and is subject to availability. Ainslie Afters will try to meet your needs, but as much time notification as possible needs to be given.

Fee policy (available upon request)

Ainslie OSHC aims to provide a quality service that is affordable. Fee levels will be set by the Management Committee with regard to the annual budget and the estimated income required to provide quality care to the children.

Payment of fees

Depending on what families nominate as their preference, statements are emailed or placed in the basket on the sign-out table fortnightly.

Payment options:

Ainslie Afters has the following payment options:

1. **Direct Debit (EziDebit)** – fees will be debited fortnightly from a bank, credit union or credit card account. Parents will be provided with a Direct Debit Request form to be completed and returned to the Director. This form authorizes Ainslie OSHC to deduct fees from the nominated account.
2. **Term in advance** - Full payment for the term's fees in advance, paid by the end of Week 1 of the term.

Permanent bookings must be paid two weeks in advance and casual bookings will be added to your account.

Public holidays

Ainslie OSHC does not charge families for public holidays.

Additional fees for late collection of children

Ainslie OSHC closes promptly at 6pm. **Additional fees are charged** for the late collection of children after this time.

The fee is \$15 for the first five minutes after 6pm and then \$15 for each extra 15 minutes or part thereof. This fee is calculated per child.

This is due to two educators/staff members remaining on duty as per the license conditions.

Please contact Ainslie OSHC on **6249 1740** if your child will be picked up late.

If the person collecting the child is going to be later than usual, the Director needs to be notified. The child will be advised to avoid any anxiety.

The parent/guardian will need to make arrangements for another authorised person to collect the child from Ainslie Afters. If this is not possible, the Director should be advised of an estimated time.

Fees charged unless notice given of a child's absence

In order to maintain staff ratios and comply with license conditions, fees will still be charged when a child is absent from Ainslie Afters.

If a child / children will be absent from Ainslie OSHC for an extended period of time, positions will be held and fees not charged, providing **one weeks'** notice is given to the Director or Administrator.

If for some reason a child who regularly attends Ainslie OSHC is unable to attend, or a change in care requirements is needed, the Director or Administrator should be informed at least **one weeks'** in advance otherwise the normal fee will apply. Ainslie OSHC operates an answering machine and email for this purpose.

In the case of school camps when children are absent, **one weeks'** notice in writing is required, for the daily fee to be waived for those days.

If your child/children is anticipated to be absent for a session, it is appreciated that prior notice be provided to the Director or Administrator.

Financial difficulties

Parents/guardians experiencing financial difficulty need to contact the Director, who will discuss and make suitable arrangement for payment of fees.

Late payment of fees

By using direct debit for the payment of fees, the question of late payment will rarely arise.

However, where fees are not paid on time, and no other arrangement has been made with the Director, after two weeks Ainslie OSHC will contact the parent or guardian to remind them of the necessary payment.

If fees are more than four weeks overdue, Ainslie OSHC may cancel the booking for the child/ren involved until all outstanding fees are paid in full. In addition, Ainslie OSHC, after due consideration of all the circumstances involved, may require that the parent or guardian responsible undertakes to pay all future fees by Direct Debit and lodges a Direct Debit form at Ainslie OSHC for that purpose before the child/ren involved may return.

If fees are more than 6 weeks overdue and no arrangements for payment are made with the Director, the debt may be referred to a debt collection agency. This will only be done after careful consideration of all circumstances of the case by the Director and the Management Committee in consultation with the School Principal.

Child care benefit (CCB)

As a government-funded centre, Child Care Benefit (CCB) is available to all eligible families.

Parent/guardians **MUST** apply to Centrelink for Childcare Benefit/Childcare tax rebate directly to obtain customer reference numbers at the beginning of each year or on enrolment at Ainslie Afters.

Any fees charged by Ainslie Afters cannot be reduced until the Administrator or Director has received customer reference numbers and dates of birth for both the parent claiming CCB and the child/children accessing the service.

If a family's status changes throughout the year, Centrelink should be advised immediately as there may be an adjustment in Childcare Assistance benefits. The Director or Administrator should also be advised.

The Ainslie OSHC Provider Number is **555 006 535 H**

Daily routine

Collection

All kindergarten children will be escorted to Ainslie OSHC by an educator up until and including Term 3. They will be given the opportunity to walk across by themselves in term 4 ready for the next year.

Children from all other grades are expected to make their own way to Ainslie OSHC.

Signing In

An educator/staff member will take a roll-call for children attending Ainslie OSHC and record their time of arrival in the sign-in/sign-out sheet.

Non-attendance

If a child is normally booked into Ainslie OSHC but fails to attend, the Director will:

- Check with other educators/staff/diary at the sign in/out table to see if they have taken any messages.
- Check with other children to see if the child attended school during the day.
- If the procedures above do not ascertain the whereabouts of the child, the Director shall then contact a parent/guardian to inform them of the situation. The parent will then be expected to take responsibility for locating the child.
- If unable to contact parents/guardians, the child's emergency contact will be contacted.
- Check with school of the child's whereabouts.
- If unable to contact parents/guardians/emergency contact and all other relevant parties, the Police will be notified.

Hand-washing

Ainslie OSHC provides easily accessible hand-washing facilities. Upon arrival at Ainslie Afters, children are required to wash their hands before eating afternoon tea, or any other time before eating during the afternoon.

Children are also required to wash their hands after using the toilet and wiping their nose.

Afternoon tea

Ainslie OSHC provides a good nutritious and healthy afternoon tea for children when they arrive.

Children are encouraged to develop good eating habits through example and education. Parents are encouraged to share family and multicultural values and ideas to enrich the variety and enjoyment of food by the children.

Children with food allergies are also catered for with suitable food provided by Ainslie OSHC.

Participating in the program

An appropriate written program plan is in place at Ainslie OSHC and reviewed regularly. Children and families are encouraged to incorporate their views, ideas and specific interests into the program.

- The program activities are free from bias as we respect each individual.
- The program considers cultural and religious difference.
- The program will be displayed at all times, on the Curriculum Board in the Afters main room

Ainslie OSHC provides a program that is developmentally appropriate to the needs of the children, and stimulates and provides for the development of each child's social, physical, emotional and intellectual potential, including language skills and creativity, without substituting for the care they receive from their families.

Following afternoon tea, children can enjoy a range of programmed activities or enjoy free play in a supervised environment. The program provides for a balance of:

- Indoor/outdoor activities;
- Quiet and active activities;
- Individual and group activities;
- Flexible and spontaneous activities to allow for unexpected and special needs; and
- Provision for homework to be done. (We do not force children to do homework, but provide a place for them to do so if they so desire.)
- External activities (e.g. music for everyone)

Finishing for the day

Only authorised persons can collect children from Ainslie OSHC. If someone other than an authorised person comes to collect a child from the service, the child shall not be released until the Director has been able to contact the custodial parent or guardian. In such cases the custodial parent or guardian must provide **a description of the collecting person**. The collecting person must provide **photo identification**.

If you are anticipating that a non-authorised person will collect your child/children, please contact the Director or Administrator before-hand to advise relevant details.

Signing out

As the sign out sheet is a legal document, the authorised person who is collecting the child must sign the sign-out sheet next to the child's name, indicating time of departure. If the children are not signed out the custodial parent/guardian will be contacted to ensure that the child/children have been collected and are safe.

Children who have permission to leave the service by themselves will be signed out by the Director at the agreed time.

Belongings

The authorised person and child/children should collect all belongings before leaving.

Lost property

All belongings should be labeled to help in the event of lost property. If your child has lost property, please check the bucket near the sign in/out table.

Health and safety

Sun protection

Children are provided protection from the sun, in line with Cancer Council ACT recommendations and including application of a sun block, wearing a suitable hat, staying in the shade when possible and to follow the SLIP-SLOP-SLAP-SEEK-SLIDE philosophy.

Ainslie OSHC will provide a broad-spectrum and water-resistant SPF 30+/50+ sunscreen. Children will be encouraged to apply this sunscreen on arrival to Ainslie OSHC each afternoon. If your child is allergic to sunscreen, please advise Ainslie OSHC when filling out the enrolment form. You have the option of providing a hypoallergenic sunscreen for your children.

Food handling and safety

High standards of hygiene and infection control are maintained throughout all food preparation. Ainslie OSHC's educators/staff are appropriately trained to promote compliance with health and safety policies and procedures, particularly in relation to food preparation.

Educators/staff are required to wash their hands thoroughly and put on gloves before any food preparation. They will also ensure that children do not eat food that has been handled by another child or that has been dropped on the floor.

Food will be stored, prepared and served hygienically. All food will be stored in tightly sealed containers, away from any chemicals. Ainslie OSHC will ensure all food requiring refrigeration is stored in the refrigerator.

Ainslie OSHC holds a current ACT Health Food Business Licence.

Accident or illness

In the event of accident or illness, details containing the nature of the accident or illness, who attended to the child and the course of action taken, will be recorded.

In the event of a major accident, the Director will, if required, call for an ambulance. Parents/guardians should note that they will have to meet the costs of any ambulance transportation.

Ainslie OSHC ensures that there are at least two educators/staff with a current First Aid certificate present at the service at all times.

A clearance letter from your doctor may be required if there is any doubt about your child's suitability to return to Ainslie Afters.

Family involvement – Management committee

The Ainslie OSHC's Management Committee meets once every quarter to discuss the operation of the service.

Any family wishing to attend the meetings join the committee or be involved in the activities of the committee are encouraged contact the Director or Convener.

Management Committee holds quarterly meetings on dates agreed by the committee.

Any person involved in Ainslie OSHC is welcome to make suggestions and discuss any concerns they may have regarding current policies or procedures with the Director or a Committee Member.

Policies and procedures are distributed annually for review or more frequently if needed. These are located in the office and are readily accessible.

Complaints or grievances (Grievance policy available upon request)

Any complaints or grievances against either the care given to your child or an educator/staff member, should be discussed with the Director in the first instance, or a Committee Member.

Given the diverse nature of possible grievances, it is impossible to outline specific procedures for resolution in all cases. The following procedures identify steps intended to satisfy as many circumstances as possible.

Ainslie OSHC will protect the rights of parents and carers to have grievances raised and resolved by ensuring the following processes are followed:

- Ainslie OSHC makes a genuine effort to establish an atmosphere of trust and open communication, so grievances can be dealt with constructively.
- Acknowledging any grievance as soon as practical.
- All written complaints will be acknowledged in writing within two weeks.
- All complaints will be handled with the strictest confidence.
- A record of all grievances raised and the steps taken to resolve the grievance will be kept maintaining confidentiality at all times.
- Where raised with an employee, the employee/s should discuss the matter with the person concerned if appropriate.
- If resolved, the employee provides the Director with a summary of the circumstances and the agreed resolution.
- If unresolved, the employee takes the issue to the Director verbally or in writing. The Director will then assist in the resolution of the issue.
- Where raised with the Director and/or a management committee member, the Director will make a record of the grievance.
- The Director will attempt to resolve the concern directly with the parent/carer in the first instance.

If a satisfactory resolution has not been achieved, a written complaint should be then sent to the Convenor/Secretary of the Ainslie Out of Hours School Care Management Committee. The Convenor/Secretary of the Management Committee will then assist in the resolution of the issue.

If a satisfactory resolution has still not been achieved, a written complaint should be then sent to the President of the Ainslie School Parents and Citizen's Association Inc. Excursion policy

Excursions will be provided from time to time as part of the Ainslie OSHC program to provide variety and an opportunity to expand a child's experience, explore different environments and learn new activities. Excursions include short walks locally with educators/staff as outlined on enrolment forms.

However, Ainslie OSHC will ensure:

- No child will be taken outside Ainslie OSHC without the parent/guardian's written authorisation.
- A minimum of **48 hours** notice will be given to the parent/guardian regarding any excursions.
- All excursions will be publicised to all families with full details of destination, times of departure and return, educators/staff and volunteers attending, and what the children should bring.
- An excursion permission form will be filled out for each specific excursion.

We look forward to our association with your family
